## Questions to Appear On April 24 Ballots

In view of the growing concern over the war in Vietnam and the "Urban Crisis," CHOICE 68 will offer to students a chance to express their opinions concerning the handling of these two problems facing America today. CHOICE 68 coordinator Bob Harkin reports that the Vietnam questions will be phrased so an alternative for a solution, as well as a general opinion can be voiced.

Regarding the "Urban Crisis," voters can state their views as to how they feel the government should handle the problem. Such options will include increased expenditures for education, riot control, or the poverty program. An opinion poll on revision of the draft laws is being contemplated, and may also appear on the ballot.

Students should make an extra effort to watch the candidates' campaigns, and review each one's merits and proposals so they can base their voting upon solid knowledge when they vote in CHOICE 68 on April 24.

## LETTERS TO THE EDITOR

### President Concentrates Effort on Constitution

Dear Editor:

It was with great concern that I convened a new constitutional committee shortly after taking office. My concern was whether the committee could come up with a workable plan in the best interest of the students. Fortunately, I can now say that any fears I may have had were unfounded.

Having very carefully read the new proposed constitution, I feel that it is very well prepared and gives the students what they should have: a better voice in student government. Because of this, I want to commend the committee for a job well done. They've earned the thanks of the entire student body.

I strongly urge everyone to study the proposal and bring any suggestions to the Forum next April 10, at 2:00 p.m., in the Silver Room.

We need this new Constitution and I hope everyone will support it. This support will enhance the workability of the student government.

DYKE NALLY  
ASB President

### Disgruntled Student Comments on Station

Dear Editor:

There is a radio station that transmits to the dorms on campus.

In the by-laws of the Broadcasting Club it states that this radio station, KBSC, is not a toy and shall not be treated as such. This reveals a problem, but does not solve it.

The people who run KBSC are turning it into their own little

toy. If they keep on with this they should not be too surprised if KBSC is treated as a toy by the administrators and students of BC.

It seems the club has a special little clique in it. This clique is composed of guys who have been DJs or speakers before. Any inexperienced people just don't fit in. These people of the "in" group are the DJs on KBSC, the on-campus radio we are privileged to have for our listening pleasure.

Pleasure! The playing stacks look like promotional giveaways stacks, and the give-away stacks have in their piles such artists as Roger Williams and other greats.

One of the DJs told me that you have to act like you own the place to be a good DJ. After meeting most of the DJs, I must conclude that what he should have said was, "In order to be a good DJ one must act like a conceited know-it-all with his nose stuck in the air."

So KBSC isn't a toy? Let them prove it!

Name on File.

## BC Phi Beta Lambdas Return With Honors

The following members of the BC Phi Beta Lambda Chapter were winners in the state convention held on the campus March 16: Gordon Fisher, Stanley Olson, and Philip Thomas, vocabulary; Wilma McTavish, typing; Emer Wood, Future Business Executive.

The BC Annual College Activities Report placed first in the contest.

O. T. Hansen, State Mines Inspector, will speak at 11 a.m., in LA106, Friday morning.

### BOISE YD'S MEET

The Young Democrats of Boise College held a meeting Thursday, March 28. Presented was the idea of having students discuss and debate the platforms of both Democratic candidates for president. All Democrats and other interested students who would like to take part in this discussion and learn about the Young Democrats of BC are cordially invited to attend. The meeting will be held April 11, at 4:00 p.m., in the Faculty Dining Room of the SUB. At this time, plans and ideas for next year's activities will be considered. Refreshments will be served.

### GOT A MINUTE?

Every weekday at 7:30 a.m., the American flag is hoisted up the flag pole with all the respect and dignity given to the flag raised over the White House in Washington, D. C. The only difference is the audience witnessing the ceremony which consists of ope, Esquire Joe Bongiovi.

Bongiovi currently is asking for a few minutes from each student taking a 7:45 a.m. class to encourage respect towards the flag-raising, and to inform members of the BC student body on the proper method in raising and lowering the flag.

What do you say, early birds? Got a minute?

PRESENTING ROSES to the new Pi Sigma Sigma First Lady, Paula McGoldrick, is Ron Gabriel. At left is Dan Wilde and at far right is outgoing First Lady Rita Duncan.

## Co-Rec. Softball Sponsored By PEM

There will be a Physical Education Majors club meeting Thursday night, April 4, at 7:30 in G102. This meeting is for both men and women. Elections of club officers for the remainder of this semester and next year will be held.

The PE Majors Club is sponsoring a co-recreational softball league for this spring. Play will be started as soon as there are enough teams for a league. Co-rec softball is played with a 16-inch softball, five men and five women teams, and 50 feet separating all bases. The rules are the same for slow-pitch softball except for the fact that the men and women must be alternated in such a manner that every other position must be occupied by a girl and that the batting order must be arranged boy-girl in order. Any person interested in forming a team may pick up a roster from either Bart Chaffee or Dr. Gene Cooper.

CONSISTING of eight members, the new constitutional committee was based on a wide range of interests. John Poulson and Craig Harvey represented service clubs; Sallye Kerr and Janice Layher, the dorms; Ron Oliver, the Roundup; Leon Olson, an independent; Leonard Ackley, vocational; and Wayne Mittelder, Kappa Psi. According to best estimates, the committee met about 300 man hours including Saturdays, and not including individual research. The new proposal gives the individual student more representation and control of the student government. There are provisions for greater dissemination of information. Although it is longer than previous constitutions, its length is basically the result of clarifying ambiguous areas, as well as consisting, in part, of an expanded judicial system to better protect the rights of the students. Members seated are (left to right): Ron Oliver, Pat Fleener, John Poulson, Janice Layher, Jim Gray, Dyke Nally, Kathy Eason, Scott Baker, Leonard Ackley, Leon Olson, Dean Tuley and Howard Swafford.

## Points of Interest From Exec. Council

Plans are being made to bring the Four Freshmen to the Spring Formal to be held May 11 in the Elks Ballroom. In charge of the project is Dave Rolfe.

An extension of library hours will go into effect beginning with the fall term. However, the details regarding the number of hours, and when, have not been completed.

Approval of posting is no longer necessary. The posting will be done by students and any objectionable posters will be reported and taken down.

Kim Hanson was appointed to the Student Conduct committee.

Will those members of the Sophomore Guidance Society please turn their names in to Linda Baril or the ASB office.

## Baseballers Clobber NNC and CSI; Drop Two Games to Spokane Spartans

The Boise College Bronco baseball squad had a busy week, playing two doubleheaders and a single contest. March 27, the Broncos traveled to NNC and returned with a 14-7 victory. Boise broke the close game wide open with an 8-run seventh inning. Rich Yokum and Jim Bianchi paced Boise at the plate with three hits in five tries and four for six, respectively, as Boise smacked out 17 hits. The win marked the first of the season for the Broncos and the third straight loss for the Crusaders.

#### Spokane

The Spokane CC Spartans invaded Bronco territory on March 30 and won both games in a doubleheader, 6-2 and 4-2, respectively. In the first game, Boise was held to three triples, one each by Ken Kushlan, Hal Zimmerman and Phil Choules.

In the second contest, Spokane hurler Bill Shepard allowed Boise only two hits, one by Zimmerman in the third and a single by Kushlan in the fifth. Boise got on the scoreboard when Kushlan singled to open the fifth and Bob Peterson walked. Yokum powered a high pop-up which the Spokane second baseman dropped and Kushlan and Peterson scored.

#### CSI

Boise swept the College of Southern Idaho in a doubleheader March 31, 20-5 and 13-0. Peterson hurled a no-hitter in the nightcap as he faced only 23 batters and fanned an even dozen in his no-hit performance.

Boise blasted six CSI hurlers in the two games and leveled their season mark at 4-4, while Southern Idaho is 0-4 for the season.

In the fifth inning of the first game Boise's bats came to life, pounding out 10 hits and bringing 11 runs across the plate. Highlight of the explosive fifth was Zimmerman's three-run homer. It was the second home run of the game, as Bianchi muscled one over the fence in the first inning, scoring Yokum just ahead of him and giving Boise a two-run lead.

Kushlan blasted a two-run homer in the first inning of the second game for Boise.

In the first game Len Romano and hurler Jim Greene each shelled out triples, while Phil Smith had a pair of doubles. Bianchi and Greene each had a double, also.

In the second game, Bianchi and Smith each had a double.

Bianchi collected four hits in six trips in the doubleheader and shoved across eight rbi's. Smith went 6-7 over the two-game span and had five rbi's. Other top batters for Boise were George Sapphire who hammered out five hits in eight trips and accounted for three rbi's; Zimmerman, 2-6 and four rbi's; Kushlan, 3-7 and three rbi's, and Yokum, 3-7 and two runs batted in.
